DESCRIPTION/OPTIONS: 1975 Chevy Caprice Classic - Convertible - 45k orig miles, AC car, 454 big block engine, 8 track player still working. power top, power windows. This Caprice Classic is a very , very , very nice car. It goes down the road 100%...So comfortable, it is just like floating down the road. This has been garage kept, and been in the same family since 1988. This car was used as an ice cream chaser on some Sunday's during the summer months. All service work has been done when needed and I have the records. The top was replaced in 2017. This is believed to be original paint. Original build sheet is included in the sale. This car is not a trailer Queen. But it is a very nice ,high end driver to enjoy when the weather is nice. It could be a trailer Queen with very little work, but this car deserves to be used and enjoyed in my opinion. You will find these on market place in this condition going between 40 and 95k....This one is priced to sell before we have to put it away for the winter @ only \$ 33,000....There is plenty of room to make money on your end, or just enjoy this piece of beautiful American history.....M & M used cars is your 1 stop place to shop where the price is ALWAYS RIGHT !!!!
